

LANGUAGE & LITERACY MINI-GRANT WORKSHOP

The Early Language and Literacy Mini-Grant Program is a partnership between the Governor's Office of Student Achievement and The Sandra Dunagan Deal Center for Early Language and Literacy at Georgia College and University. It seeks to support community projects that target birth to age 8 language and literacy development needs.

Grants in the amount of \$5,000 - \$20,000 are available for programs to positively impact early language and literacy development by establishing community partnerships in efforts to improve the early language and literacy development of Georgia's young children.

Join Bridgette Washington (E³Z Coordinator) to learn more about these grants and how **YOU** can get funding to support your literacy plan. ** Bring your computer! **
