

QUALITY RATED

PEER SUPPORT NETWORK

The Peer Support Network (PSN) was created by child care providers to share ideas, success stories, and lessons learned during the Quality Rated experience. The PSN is open to all programs who are interested in earning or increasing their Quality Rated star rating. Topics of discussion are guided by the interests and needs of the participants.

- PSN Meetings are open to program owners, directors, and administrators.
- Participants receive Bright from the Start ADM training hours.
- Meetings are held in convenient locations statewide
