E3Z Child Care Expansion Grant

The Department of Community Affairs (DCA) in partnership with the Department of Early Care and Learning (DECAL) are offering economic development Incentive packages up to \$100,000 in counties located in Georgia's Early Education Empowerment Zones (E3Zs) to:

- Expand a current child care center
- Open a new child care center
- Create two new full time positions
- increase the number of infant/toddler spaces by 15% or 10 new slots

Applicants **must** be one, two or three Star Quality Rated and create two new full time jobs.

Eligible funding uses include salary subsidy payments and classroom equipment.
