Attendance Policy—Online Trainings

To receive credit for state-approved training with Leap Early Learning Partners, please follow these simple requirements:

You must be able to see and hear the presentation—participation is key to learning!

One participant per device provides the best experience for the learner and the easiest way to confirm attendance. In cases where multiple learners must use one device, we may ask for additional attendance confirmation via chat and/or email. This could include but is not limited to a live webcam view, time stamped photos of the group in the training, and/or signed statement confirming the learner’s attendance from a program leader that was present for the training or a member of the group serving as the program leadership representative.

Per DECAL advisement, participants in trainings should not be actively caring for children during the training. If the training team suspects you are caring for children during the training, they will request that you leave the training and reschedule. If you do not leave, the training team reserves the right to remove you from the virtual training session and you will not be awarded credit for the training.

If you have any questions, concerns, or challenges please contact leaptraining@augusta.edu.

Additional Training Opportunities

In addition to trainings offered by Leap Early Learning Partners, there are many approved trainers and trainings throughout the state. The Georgia Professional Development System for Early Childhood Educators maintains a database of all approved trainings and trainers—this is the definitive source for statewide training opportunities.
